

*Town of Kingston*  
**POLICE DEPARTMENT**

244 Main Street, Kingston, Massachusetts 02364

Business: (781) 585-0522 Fax: (781) 585-7556

**FIREARMS LICENSING INFORMATION**

We want to take a minute and provide an update on one of our normal business practices, **Firearms Licensing**. We will still attempt to assist you with licensing, but you will notice a different method of interaction than previously seen.

**For those seeking new licenses:**

Complete a neatly written/typed paper application and mail it to the department along with your application fee (\$100.00 check or money order payable to the Town of Kingston). You also need to submit a copy of your Massachusetts State issued Firearms Safety Certificate.

**\*\*State firearms license applications are available online on the [www.kingstonmass.org](http://www.kingstonmass.org) website and the [www.mass.gov](http://www.mass.gov) website.\*\***

We will complete the application and contact you to arrange for the final step to be completed.

**For those seeking renewals of current licenses:**

Complete a neatly written/typed paper application and mail it to the department along with your application fee (\$100.00 check or money order payable to the Town of Kingston)

We will complete the application based upon the submitted form.

In both instances, please provide a valid phone number so that if there are any questions we can contact you. This measure is meant simply to limit potential exposure of our public safety employees to the virus so that we can continue to be available to provide emergency services to our citizens. Once this situation resolves itself, we will return to our normal business practice in regards to licensing.
